About This Game

Big Fish Games Studios summons you back to the deep mystery and magic of Azada. Too afraid to enter the library, young Titus calls upon your courage and superior puzzle-solving skills to disarm the magical menace. Luckily, Titus has given you a magic medallion to call upon him when in need. Enter the lives of storybook characters in more than 20 magic puzzle books. Meet famous legends like King Arthur, Rapunzel, Henry Jekyll, Buffalo Bill, and many more. Can you unveil the dark hidden secret in Azada: Ancient Magic?

- Sequel to award-winning Puzzle Adventure series
 - 20+ magical puzzle books with classic tales
 - Storybook legends like Rapunzel and Dracula
 - Never-before-seen mini games
- Innovative puzzle mechanics and beautifully-illustrated scenes

This is a Hidden Object Puzzle Adventure game, meaning a specific genre of story-driven, point & click adventures. Throughout the game, players are tasked to find a list of objects hidden within a particular scene, and to occasionally complete various mini-games/puzzles.

Really enjoyable game. I had to really cudgel the old brain cells on some of the puzzles but it was awesome to figure them out on my own. Felt like a great brain work out. Highly recommended.
