It's nice, Pack 1 and 2 but It would be great if you could give us all the New World costumes..... It didn't come with Luffy,Usopp,Chopper and Brook. As a dlc its lackluster, but even tho the costumes where cool, but it should have had atleast 2 or 3 playable new characters. this should be part of the game and not dlc. Love the costumes.

They aren't a must have but they are definately nice to own.. Buy One Piece Pirate Warriors 3 Gold Edition and you will get this DLC Pack 1 free.

Extra costume and missions. Thank you Bandai Namco Entertainment.. this is awesome.. but please fix the damn graphics you guys... Sexy Sanji's and Zoro's film "z" suit
